TREATY OF PEACE SIGNED

An Imperial Proclamation, Giving Authority to Li Hung Chang.

200,000,000 TAELS INDEMNITY

All of Japan's Demands Practically Conceded. The Indemnity to be Paid in Silver. The Armistice Has Been Extended for Three Weeks.

By Southern Associated Press

LONDON, April 17.—A dispatch to the Star from Tien Tsin says that an imperial proclamation has been issued authorizing Li Hung Chang to sign the treaty of peace with Japan guaranteeing the payment of 200,000,000 taels indemnity. By the proclamation Li Hung Chang is empowered to cede to Japan the island of Formosa and the peninsula of Liao Tung to the fortieth degree of latitude, to sanction the opening of five new commercial ports, including Kiao, and to give Japan power to open cotton factories and other industries in China. By the terms of the proclamation the import duties at the open ports are not to exceed 2 per cent.

Another imperial proclamation has been issued granting sick leave to the Vice Roy of Canton and ordering him to retire to his native province.

A dispatch to the Globe from Shimonoski says that Li Hung Chang will start for home to-day, having conceded all of Japan's demands.

A dispatch to the Central News from Tokio says that peace ratifications will be exchanged within three weeks, and that the armistice has been extended to midnight of May 8th.

The Central News correspondent in Tokio learns that China's indemnity to Japan is to be paid in silver in five yearly instalments, also that by the terms of the treaty of peace Japan is to receive possession of Formosa, the Pescadore Islands, the peninsula of Liao Tung from Yin Kow to Au Ping on the Yalu river, and an indemnity of 200,000,000 taels in silver. Several important commercial concessions are also made by China, but these Japan is to share with other nations. No territory is to be occupied by Japan as a temporary guarantee, except, perhaps, Liu Kung Tao.

INCOME TAX.

The Reply of the Attorney General Reviewing the Case.

By Southern Associated Press.

WASHINGTON, April 17.—Attorney-General Olney to-day filed a brief in the Supreme Court of the United States upon the petition for a rehearing of the income tax cases. It was not expected at the Department of Justice or at the Court that the Government would respond to the notice of Mr. Guthrie of the intention of counsel to ask a rehearing and at the court some surprise was expressed at the appearance of the document.

The Attorney-General's brief was as follows:

"The United States respectfully represents that, if a rehearing is granted, it should cover all the legal and constitutional questions involved and not merely those as to which the Court are equally divided.

"1. Whether a tax of incomes generally, inclusive of rents and interest or dividends from investments of all kinds, is or is not a direct tax within the meaning of the Federal Constitution, is a matter upon which, as on original question, the Government has really never been heard.

"Its position at the argument was that the question had been settled by an exposition of the constitution practically contemporaneous with its adoption by a subsequent unbroken line of judicial precedents—by the concurring and repeated action of all the departments of the Government—and by the consensus of all text writers and authorities by whom the subject has heretofore been considered.

"2. 'The importance to the Government of the new views of its taxing power, announced in the opinion of the Chief Justice, can hardly be exaggerated.'

MR. GREENHUT IS REMOVED

The President of the Distillery and Cattle Feeding Company.

HE REFUSED TO RESIGN.

It Was Hardly Expected He Would Attend the Meeting. False to His Trust and an Enemy to His Company. \$50,000 Suits for Slander.

By Southern Associated Press.

PONOA, Ill., April 17.—Joseph B. Greenhut was removed from the presidency and directorship of the Distillery and Cattle Feeding Company to-day at the annual meeting of the stockholders after refusing to resign. S. M. Rice, of New York city, is slated as his successor.

Contrary to predictions Mr. Greenhut was at the meeting. He was the only one, however, of the old directors to face the new men in control. The others had deserted their former chief, who sat aloof from the other stockholders with his son as a companion.

Richard B. Hartshorne was elected chairman and would have been made a director had he been willing to accept the position. Nearly 350,000 shares of stock were represented, of which the minority—Greenhut—controlled only 11,014. Resignations were read from the remaining directors, excepting Greenhut, and were promptly accepted. Upon motion of Levy Mayer, Greenhut was asked to resign. This he declined to do, and upon a motion to remove him, had his attorney state to the stockholders that it was not in their power to do so. Notwithstanding, a vote was taken and he was removed under protest. He will carry the matter into the courts.

The following directors were then elected: S. M. Tice, New York; J. M. Hutton, Cincinnati; T. D. Wentworth, New York; M. J. Meyer, Chicago; William M. Shattell, New York; J. M. Mott, Chicago; Floyd E. Jenson, New York.

It was entered on record that Mr. Shattell was elected to succeed Greenhut so as to simplify the litigation to follow.

Mr. Greenhut did not want to read his report to his enemies but upon their insisting he read his final report.

Every motion offered by Levy Mayer and voted for by everybody except by Greenhut. At the time Mr. Mayer was offering the resolution for the removal of Greenhut the latter gentleman told Mayer that he was a liar and had run to the end of his rope, but little attention was paid to this. Mr. Greenhut was removed on the charge that he was false to his trust and an enemy to the company of which he was president.

Mr. Mayer had hardly concluded his remarks when a constable entered and served him a summons in a suit for \$50,000 for slander brought by Greenhut. Notices were also served on the five members of the reorganization committee, Receiver McNulta and Attorney Bijur, in suits for a similar amount, all returnable in Poria on the first Monday in May.

NICARAGUAN MINISTRY.

The Recent Reorganization. The Matter of Arbitration.

By Southern Associated Press.

WASHINGTON, April 17.—Louis Baker, United States Minister to Costa Rica, Honduras and Nicaragua, reports to the Department of State the reorganization of the Ministry of Nicaragua as follows:

Foreign Affairs, Manuel Coronel Mateus; Interior General, Francisco Gallardo; War and Marine, General Ruchen Alonzo; Finance, Santa Aleja.

The Nicaraguan Minister, Dr. Guzman, up to 2 p. m. to-day, had received no additional information from Matagua regarding the differences between his Government and Great Britain. Nicaragua still feels that the one matter which ought to properly be arbitrated and her reply to Great Britain stands her to accept any conclusion which may be reached as the result of arbitration.

Great Britain, on the other hand, asserts that the expulsion of Mr. Hatch was, in a sense, an insult to Great Britain and will insist upon the payment of the \$75,000 of "smart money," although entirely satisfied to leave any of the other points in dispute to the decision of an arbitration tribunal. No beligerent news of any kind has reached the State or Navy Departments of the Nicaraguan Minister.

A STRANGER SUFFOCATED.

Died From Gas Poison at Klebahn's on Bank Street.

Yesterday morning a stranger named J. Campbell was found dead in a room in the third story of the Klebahn House, corner of Bank and Hill streets. The man is said to have arrived in Norfolk Tuesday from Pennsylvania, N. J. He had been around the bar all day, and did not appear to be drinking much. His appearance was good, no evidence of distress or poverty. He retired to his room at an early hour and asked to be called at 5 o'clock a. m. When an attempt was made to arouse him at the hour named the room was found to be filled with gas and the man dead.

Dr. Charters, the coroner, was notified, and with a jury reviewed the body. Upon the man's person was found \$31 in money, a memorandum book showing his expense account from Pennsylvania to Norfolk. The papers in his pockets do not furnish much information. A paper shipping blank used for packages or boxes was found bearing his name, also the firm name of Bidd & Bernstein & Co., importers of woollens, 435 Market street, Philadelphia.

After the inquest, a verdict being returned that death was accidental, the body was delivered to Undertaker Smith, who will hold it subject to the orders of the Coroner. Should the authorities fail to discover any relations of the dead man he will be buried here. The deceased was about 45 years of age and among his effects was found a hunting suit.

"THE CHIMES OF NORMANDY."

The Beautiful Rendition of the Attractive Opera. The Reception to Postmaster Wilson. Appointment of Gen. Fitz Lee as Revenue Collector.

Special Dispatch to the Virginian.

RICHLAND, April 17.—The presentation of the "Chimes of Normandy" last night and to-night was a decided success, socially, artistically and financially. A handsome sum was realized for the associated hospitals of Richmond. Miss Lizzie Taylor, of Norfolk, who sang one of the most important parts, carried off a large share of the honors. She acted her part splendidly and her splendid voice was most highly complimented. Miss Irene Langhorne, a noted Richmond beauty, also came in for much praise. Col. C. O. B. Cowardin directed the opera.

The announcement of the appointment of Gen. Fitz Lee as Collector of Internal Revenue to succeed Capt. Ham Shepperd, did not occasion very much surprise here. It is pretty well known that the General and President Cleveland are warm friends, and Mr. Cleveland has been anxious to do something handsome for Fitz ever since he was inaugurated. The pay of the position is about \$15,500.

Saturday night Richmond will be in darkness. There is a big fight on for the establishment of a municipal electric plant, and the Council having refused to appropriate money for that purpose, those who favor the scheme have prevented an appropriation to continue the contract with the Richmond Railway and Electric Company. The streets are to be lighted by gas and very few of the gas lamps can be got in order for use Saturday night.

Postmaster-General W. L. Wilson arrived here on the fast mail to-day. A committee met him at Ashland and escorted him to the city. On his arrival he was entertained at lunch by Mr. W. B. Meredith. Hundreds of people of all conditions of life shook hands with the distinguished guest.

To-night the Richmond branch of the Alumni of the University of Virginia held its annual banquet at the Commonwealth Club. It was an elegant affair. Mr. Wilson was the guest of honor and made the principal speech. The toast assigned him was "The Scholar in Politics." Other speakers were Capt. W. Gordon McCabe, Prof. Abbott and Peters.
